Q & A's

Will it be suitable for my child?

Our Pony Club Camps are ideal for beginner or less experienced riders and offer a brilliant mix of riding fun. You'll also get to learn and improve your grooming and looking after your pony skills and pick up some Pony Club badges on the way! Your child will also get to prepare for competition day on Friday. What better way to spend your summer!

What will my child be doing?

At Pony Club camp, your child will be learning new riding skills in our spacious all weather arena, hacking in our beautiful Joyden's Wood woodland, learning how to look after your pony and entering our Friday competition which they will be preparing for all week and will be in with a chance of collecting their first rosette(s) or adding to their already growing collection!

Pony Club Badges – Quite a few activities are Pony Club Badge Linked – this means - if you are a Pony Club Member there is an opportunity to achieve the badge.

To enable your child to have the chance to gain these badges, please see the office to join our Club! Quick but important note – Pony Club Badges will be awarded to members that 'achieve' the syllabus standard. We do not hand them out based on attendance only.

To enrol on our Camps, children need to register as a Pony Club member £30 annual fee – see the office. This membership allows access to many benefits and discounts at our centre.

It's a great thing to become involved in ☺
